

DANIELS' NAME FORCED TO NOTE, HE TELLS SENATE

SECRETARY OF NAVY CHARGES
ADMIRAL SIMS WITH US-
ING FORGED TELEGRAM
AS EVIDENCE

SIMS DISREGARDED LIVES

American Commander More Soli-
citous For Safety of Cargo Ships
Than of Troop Trans-
ports, Naval Secre-
tary Charges

By United Press Leased Wire
Washington. — Secretary Daniels today charged Rear Admiral Sims with introducing a forged cablegram as evidence in the senate naval investigation.

The cable was offered by Sims bore the signature of "Daniels," but the secretary today offered the original copy of the cable and denied it bore his name.

The dispatch in question related to convoy system and held that vessels having armed guards were safer sailing independently.

Daniels said the original bore the signature of A. F. Carter of the bureau of naval operations.

Made Wrong Impression
"The instigator of this attempt to fix upon the civilian secretary a telegram signed by another official, ought to be produced by Admiral Sims, who produced this altered telegram and who owes an apology to me and to the country for the impression undertaken to be made by his testimony based upon a false signature," Daniels told the committee.

"This shows that somewhere somebody was guilty of signing my name to an official dispatch which the original here produced shows I never signed, or of altering a dispatch by erasing the real signature and substituting 'Daniels'."

Never Sent Telegram
"I know that I had never sent such a telegram. I knew that if my name appeared upon such a telegram, it would be because somebody had forged my name to it. The dispatch had been sent to London through the British embassy which had retained the original copy."

The sentence in the cable to which Daniels took exception read:
"In regard to convoy, I consider that American vessels having armed guards are safer when sailing independently."

Solutions for Carriages
Daniels also told the committee that Sims opposed using the Levitan as a troop transport for the reason that it offered too large a target. Later he insisted that it be sent to a British port asserting no French ports were suitable. The department accepted this advice and on her first trip she stuck in the mud in Liverpool and had to wait a month until the Lunar tide came in before she could be floated, Daniels said.

Daniels went into his charge previously made that Sims was more solicitous about safety of merchant ships than of troop transports.

Political Affect
"If I had believed that Admiral Sims cherished any such idea," Daniels said, "that he valued supplies more than the lives of American soldiers, that he was willing to endanger troop transports in order to save cargo ships, he would have been instantly removed from command."

He quoted Sims as writing to Admiral Bayly, British commander at Queenstown, that Daniels' insistence on safety of troops was "largely political."

The senate naval committee today received a letter from Rear Admiral McKean declining the committee's request to produce a copy of "Black plan" which was drafted in anticipation of naval war with Germany.

"The black fleet was a hypothetical enemy and might give a possible future enemy an insight into the navy's point of view regarding strategy," Admiral McKean wrote.

May Anger Wilson
Washington.—There was considerable talk among congressmen and officials in Washington today on what action President Wilson is likely to take if Secretary Daniels made public his cablegram to Admiral Sims, criticizing the British navy, without first consulting the president.

AERIAL MAIL HEAD DIES WHEN HIS PLANE FALLS

By United Press Leased Wire
Oskaloosa, Ia.—William J. McCandless, Washington D. C. superintendent of the Chicago-Omaha division aerial mail service was killed and H. W. Johnson, Fremont, Ohio, was seriously injured when their plane collapsed near here late yesterday, while making a forced landing.

Johnson, the pilot, was thrown clear of the machine, while McCandless was pinned beneath the wreckage.

McCandless' skull was fractured and he died almost instantly. Johnson was badly cut and bruised about the head and shoulders.

The plane was enroute to Chicago.

ALLIED-GERMAN MEETING
POSTPONED UNTIL JUNE

By United Press Leased Wire
Paris.—A news agency dispatch from Brussels today said it had been confirmed that the Spa conference between allied and German representatives had been postponed from May 25 until after the German elections probably June 20.

Poles Fight World Battle Without Help

Poland Hopes for Help From Rest of
the World, But Will Not Ask for
It—London Wonders About
Happenings in Moscow.

(By A. L. Bradford.)
By United Press Leased Wire
Washington. — Poland is fighting the fight of the world against bolshevism, but it will continue alone without asking the aid of the allies or the United States, Prince Casimir Lubomirski, Polish minister here, declared in an interview today.

Prince Lubomirski is next in order of the foreign diplomats waiting to present their credentials to President Wilson. He will probably lay the Polish situation before the president when received.

"Poland hopes that the old cultural world will help her in the task of saving culture and civilization from bolshevism," Lubomirski said. "Should Poland be crushed, the bolshevik would become united with Germany. The war which was supposed to have been terminated by the treaty of Versailles would start anew."

Want Buffer States.
The object of the Polish drive, he said, is establishment of a series of independent states as a barrier against bolshevism.

Poland will rid these countries of bolshevism and help them to a strong independence, but will not advance into soviet Russia, Lubomirski said. The states planned to constitute this barrier are Ukraine, White Ruthenia, Lithuania and Latvia, the latter two of which have already assumed their independence.

Moscow is Silent
London.—Continued silence of the Moscow wireless station caused considerable speculation here today on what may be happening in the Russian soviet capital.

An unconfirmed Exchange Telegraph dispatch from Copenhagen quoting the newspaper Politiken, said private advice had been received that a great rebellion was under way in Moscow. There were many fires, the advice said.

Officials were inclined to give credence to this report because of the silence of the Moscow radio station. The last message was received here at 2:30 p. m. May 9 when a call, intended for all stations, was interrupted suddenly.

Odessa is Occupied
London.—Ukrainian troops have occupied Odessa, according to a News Agency dispatch.

Soviet in Armenia
London.—A dispatch from Constantinople today said it was reported there a soviet had been established at Erivan, Russian Armenia.

The old government escaped, the dispatch said, adding that Bolshevism was spreading rapidly throughout Anatolia.

FARMERS SHARPEN AXE FOR MIDDLEMEN

ELIMINATION OF BROKERS IS
PLANNED BY FARMERS DIS-
CUSSING COOPERA-
TIVE SALES

By United Press Leased Wire
Chicago.—A farmers' cooperative movement, which would abolish the middleman and broker, was considered here today by a committee of farmers, appointed by a group of farm organizations to study means of living costs.

The plan, which is similar to the one used last year to sell wool, would provide for the establishment of warehouses and stockpiles in the principal cities.

Instead of shipping livestock, produce and grain to market to sell to a local broker, the farmer would bring his goods to market where his own agent, who would represent other farmers as well, would take over his shipment and dispose of it direct to the retailers. It is estimated that this would give the farmer a larger profit and mean cheaper goods to the consumer. It would eliminate the speculation which the farmers say is the cause of high prices.

Grain brokers and produce commission men are opposed to the plan as they feared it would put many of them out of business.

The committee which took up the plan consisted of W. H. Hunt, Iowa; Louis Taylor, of Indiana; R. Snyder, of Kansas; Chester H. Gray, of Missouri; C. A. Bingham, of Michigan; and Howard Leonard, of Illinois.

The worst damage was reported between Alliance, Neb., and Edgemont, S. D., with a dozen railroad bridges washed out.

Burlington trains were re-routed. Landslides and washouts in Montana, between Billings and Reed Point, and in the Bitter Root mountains in Idaho, interfered with traffic over the Northwestern, the Northern Pacific and Burlington lines.

Prisoners Break Jail
By United Press Leased Wire
Akron, Ohio.—Six prisoners, three of them charged with murder, saved their way to freedom from the county jail here early today.

The men used saws smuggled in by relatives, it was thought.

Possibility Of Johnson Bolt Worries "Old Guard"

By United Press Leased Wire
(By Harold D. Jacobs)
New York.—Revival of gossip regarding a possible bolt from the republican ranks and the formation of a new "third party" has led to speculation among political observers regarding the effect of this contingency on the Chicago convention.

Senator Hiram Johnson, about whom this talk centers, has declared repeatedly that he will not be a party to such a revolt.

Some of his strongest supporters are not so certain, however, that the Californian will be able to control his own destiny.

Several veteran politicians profess to see in the renewal of "third party" rumors the shadow of a club that may be wielded by Johnson's followers at Chicago. They figure it out thus wise:

The "old guard" while saying that Johnson probably is the best vote-getter of the republican aspirants, frankly do not want him.

If it becomes apparent that Johnson can not win the nomination because of conservative opposition, one of his emissaries could inform the "old guard" that the senator would bolt.

This, these politicians declared, would threaten a serious split in the republican party, that the party would be faced with a repetition of the 1912 situation, when the democrats succeeded in electing Woodrow Wilson as a "minority" president.

In the face of such a threat, according to the political dopesters, the conservatives would more than likely surrender.

Republican leaders generally are going on the assumption that the democratic nominee will be William G. McAdoo.

Johnson probably is the best vote-getter of the republican aspirants, frankly do not want him.

NEW SAWMILL SOON TO START OPERATION

H. J. THORESON LUMBER COMPANY'S PLANT IS LOCATED IN FORMER TIMBER TRACT

The new saw mill of H. J. Thoreson Lumber company immediately north of the former entrance of the old fair grounds at the west end of College avenue is so far along that the machinery is now being installed. The greater part of the equipment has been delivered.

The building, which is large and commodious, is located in what was formerly a heavy tract of timber on the north side of College avenue immediately east of the fair grounds. About four acres have been cleared and these logs are among the first that will be sawed by the new plant. A crew of men yesterday engaged in piling them up at the north end of the mill, where they will be converted into lumber.

The plant will be run by electricity and will be ready for operation some time next month. The grading for the new side track has been started. Practically all of the stumps have been removed from the tract cleared.

SAWMILL ON W. AND N. DESTROYED BY FIRE

Fire completely destroyed the Eltinger sawmill at Hollister, a town located on the Wisconsin and Northern railway, Tuesday night. The mill is said to be owned by the W. J. Campbell Lumber company of Oshkosh, and is a total loss. The cause of the fire is unknown.

"ANNEX" DEBATE TEAM WINS OVER "REGULARS"

The Annex class debating team defeated the debaters of Mr. Wells' class in the high school proper yesterday. "Resolved, that the United States Adopt the Plumb Plan" was the question. The Annex team upheld

(1st floor, Art Dept.)

the affirmative. This team was made up of Philip Sutherland and Clement Steffen. The negative was supported by Bert Fischer and John Harriman. Miss Parker, Miss Bucholtz and Mrs. Banister acted as judges, giving a unanimous decision in favor of the affirmative. The debate was held in the Annex class room.

GROCERS FEAR SUGAR WAS STOLEN FROM CAR

Several grocers who were expecting several sacks of sugar yesterday and who had received the bills therefor, are of the opinion that the sugar was stolen en transit as they received other items of the order, but the sugar was missing. An investigation is now being made. To make matters still more serious the grocers had taken orders for the sugar, which they promised their patrons they would deliver today.

SHORT NOTES

Dr. W. N. Linn of Oshkosh, was a visitor here today.

H. A. Witten of Milwaukee, is here today on business.

Mrs. O. Schroeder of Madison, visited here Wednesday.

Ralph Lockery of Black Creek, visited friends here today.

Dr. Bell of Nebo of Winnebago, spent the day in Appleton.

George A. Carles was at New London yesterday on business.

Miss Gertrude Luka has returned from a visit at Manitowoc.

Attorney Homer H. Benton is in Shawano today on business.

Charles D. Breen of Oshkosh, was a business visitor here yesterday.

Frank Taylor and Frank Larkin of Milwaukee, were business visitors here yesterday.

G. H. Chapman of Milwaukee has spent the past several days in the city on business.

Prin. P. G. W. Keller of the high school is attending an educational conference at Chicago.

E. A. Walther is in Milwaukee on business and expects to remain there the remainder of the week.

Mr. and Mrs. David Bretschneider have returned from a visit with Mr. and Mrs. R. Marquardt at Milwaukee.

Today is the first of Ascension and is observed with special services in Catholic, Lutheran and Episcopal churches.

William Hensoldt, who has been visiting relatives here for the last six weeks, returned to Madison this morning.

Theodore Feuerstein, who is attending Marquette University at Milwaukee, is spending a few days at his home here.

THIRD WARD TEAM UPSETS DOPE BY BEATING CATHOLICS

LAST YEAR'S CHAMPS STILL IN RUNNING IN GRADE SCHOOL LEAGUE—FIRST WARD LEADS

Third ward upset the dope in the grade school baseball league by handing a 2 to 0 defeat to St. Mary Wednesday afternoon. The win leaves First ward the only undefeated team in the league, and Lincoln's victory over Zion yesterday makes her tied with St. Mary and Third ward for second place in the standings.

Only a St. Mary victory over First ward in the final game of the schedule next week will prevent the First warders from copping the flag. First ward should have little difficulty in triumphing over Zion, Columbus-Franklin and Lincoln, the only other teams on her schedule beside the Catholics. Dope favors the First ward, as Third ward trimmed the Catholics, and First trimmed Third ward.

Booth was invincible yesterday and St. Mary had little chance against Third ward.

Fifth Ward Wins
Fifth ward defeated Fourth ward 17 to 13, and climbed up to fifth position. Both teams were in a hitting mood, and the game was a toss-up until the final inning.

Zion school was no match for the Lincoln aggregation, the latter dropping a 25 to 7 combat. Reinke, Lincoln's new pitching find, again started on the mound.

Third ward, last year's champions, will be presented with the winning banner Friday. The prize was awarded by the boys' division of the Y. M. C. A.

Today's Games
Fifth ward vs. First ward at Franklin grounds.
Columbus-Franklin vs. Fourth ward at First ward grounds.
Lincoln vs. Third ward at Jones Park.
St. Mary vs. Zion at Fourth ward.

HIGH TRACK TEAM WORKS FOR STEVENS POINT MEET

High school track athletes under the direction of Coach Arthur Vincent are working out daily at Lawrence field in preparation for the inter-school district meet at Stevens Point Saturday. Appleton will be represented by a team of seven men at the Point.

The personnel of the squad is still undecided. Most of the candidates are without experience and the coach is giving them all a thorough try-out.

The annual inter-class meet will be held next Monday afternoon at Lawrence field. Some fast contests are expected, as the winners of the 125 class and unlimited class in the group meet recently, will clash.

DRAMATIC CLUB TO PLAN ENTERTAINMENT

Plans for an entertainment to be presented in a few weeks will be made at a meeting of members of the Dramatic department of the Appleton Woman's Club, at eight o'clock tonight at the high school gymnasium.

Girls interested in joining the department are also invited to be present. The department, which is in charge of Mrs. G. N. Pratt, is open to girls between the ages of twelve and eighteen years, and for older girls, have been organized.

SLOW AND SAFE IS STATE'S WARNING

Cards issued by the Wisconsin Railroad commission warning against grade crossing accidents are being posted in conspicuous places about the city. They contain the information that 77 people were killed in 1919 by automobile accidents which occurred at railroad crossings, and that 292 were seriously injured. Drivers are urged to sacrifice speed for safety, approach crossings slowly and keep machines under perfect control while driving over the tracks. Appeal is also made to refrain from racing to crossings with approaching trains. Pictures of the various crossing signs and warning signals used in the state accompany the poster.

The Rebeccas will give an informal dancing party at the Odd Fellow's hall, Friday evening, May 14th for Rebeccas and their friends. Tickets 75c.

CHURCH PACKED FOR COMMUNITY PROGRAM

Hundreds of parents and children spent an hour or more in the land of make-believe last evening at the First Congregational church, the event being the weekly community night program. The church auditorium was packed to the doors, even standing room was at a premium.

Several organ numbers by Miss Marie Brunner opened the program and a one-act picture, "The Days of Real Sport," was then shown. The picture showed the experiences of two boys who joined the Boy Scouts, including camp scenes and various activities.

The feature picture was "The Seven Seas," a fairland story with Marguerite Clark taking the leading part.

Another Douglas Fairbanks picture, "The Modern Musketeer," is to be shown at the next community night program, which takes place Friday, May 21.

PLAN REAL SURVEY OF RURAL SCHOOLS

OUTAGAMIE COUNTY MAY BE FIRST IN STATE TO UNDERTAKE INTENSIVE SIVE WORK

A. G. Meating and his supervising teachers met with Mrs. Ceddie White Flemming, supervisor of educational measurements of the State Department of Education, Tuesday to discuss the problem of the rural school in connection with the social survey which is being taken in the county. With the co-operation of the Extension Division of the University of Wisconsin and the state department of education, Supt. Meating and his supervising teachers hope to be able to make an extensive study of some of the typical schools.

If the tentative plans of the committee on the rural situation in schools mature, Outagamie county will have the distinction of being the first county in the state to make so intensive a study of rural school problems. According to members of the committee there has never been a time in the history of education in this or any other state when it was so necessary to have accurate knowledge of community conditions which will make for an intelligent community support of education. They feel that the entire community must realize keenly the seriousness of the shortage of teachers which threatens rural schools.

"The active support of every citizen is essential for obtaining and retaining able teachers," said Mrs. Flemming in speaking of the shortage of teachers. "The solution of the teacher question is not permanent when a good teacher has been obtained at an excellent salary. Every parent, every citizen in a school district must co-operate in the provision of those living and social conditions which will permit them to retain teachers of superior ability and training."

Data which this committee will obtain from the various schools will enable the community to better understand the needs of each school. Much data is already on file in the superintendent's office, and the survey hopes to complete it.

LADIES! COMPLEXION WORRIES ENDED AT LAST

This Delightful New Vanishing Cream
Containing True Buttermilk Will
Make You Look Years
Younger of Money
Back—Just
Try It

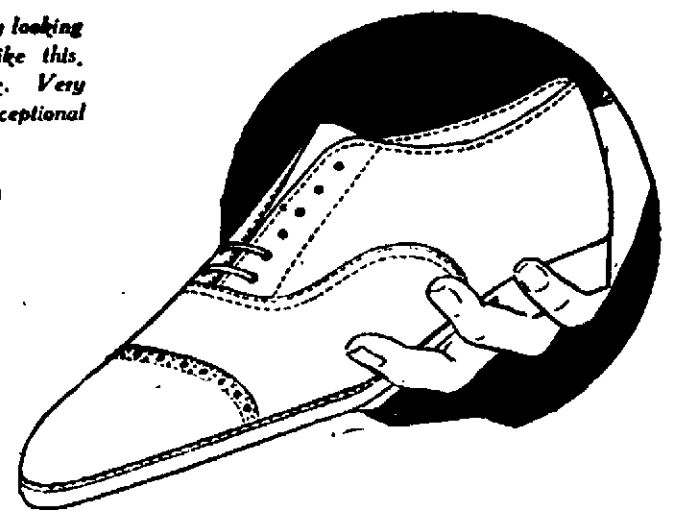

Get a small quantity at any pharmacy asking for Howard's Buttermilk Cream, and massage it daily into the face, neck, arms and hands. The directions are simple and it costs so little that any girl or woman can afford it. Your complexion must quickly show a decided improvement. Your dealer is authorized to return your money without question should you be dissatisfied.

No matter whether you are troubled with wrinkles, hard little lines around the mouth and eyes, coarse, shallow, faded looking skin, or simply roughness and redness caused by wind and sun, you will find that all these evils quickly disappear with the use of this old-fashioned beauty recipe brought up to date.

Howard's Buttermilk Cream is only sold on a positive guarantee of satisfaction or money back.

You are probably looking for an oxford like this, Dark tan or black. Very dressy and an exceptional value.

WELFARE BOARD FOR SERVICE MEN TO BE FORMED HERE

REPRESENTATIVE OF SECRETARY OF WAR TO START WORK—CAPT. BEN-TON IS CHAIRMAN

Organization of a service men's welfare committee to include representatives of the American Legion, the Red Cross, Home Service section, Public Health service and of the seven organizations which took part in the United War Work campaign, has been started here by Lieut. C. G. Mathys, field representative of the assistant to the secretary of war, Captain Homer H. Benton has been made chairman of this committee.

Lieut. Mathys is now engaged in organizing the work and calling the various organizations in the city. Field representatives are working in every city in the United States of sufficient size to warrant organization of welfare committees. The work is now underway or completed in Green Bay, Janesville, LaCrosse, Madison and Racine.

It was explained that organization of this committee, in addition to accomplishing the primary object of helping the former service men solve their individual problems, is also aiding in avoiding a duplication of effort. The new committee is not intended to supersede any existing agency, but will act only in an advisory and supervisory capacity, keeping each organization represented informed of what the others are doing—really a clearing house for information.

It is said that these city welfare committees may be expanded eventually into county organizations and will be able to work with former service men in all communities. Members of the committee will be announced as the work progresses. It is believed by the organizer that an efficient body can be formed here because of the familiarity of many Appleton people with welfare work among the war veterans.

The fire department was called out Wednesday morning to extinguish a chimney fire at the home of John Felton, 793 Richmond street. No damage resulted.

"CAN'T CUT OFF MY LEG", SAYS RAILROAD ENGINEER

"I am a railroad engineer; about 20 years ago my leg was seriously injured in an accident out West. Upon my refusing to allow the doctor to amputate it I was told it would be impossible to heal the wound. I had tried all kinds of salves and had many doctors in the past 20 years, but to no avail. Finally I resolved to use PETERSON'S OINTMENT on my leg. You cannot imagine my astonishment when I found it was doing what over 100 things had failed to do. My leg is now completely cured."—Gus Hault, 793 Myrtle Avenue, Brooklyn, N. Y.

"It makes me feel proud to be able to produce an ointment like that," says Peterson of Buffalo. "Not only do I guarantee Peterson's ointment for old sores and wounds, but for eczema, salt rheum, ulcers, chafing, itching, skin and blind, bleeding, or itching piles, and I put up a big box for 35 cents at all druggists, a price all can afford to pay and money back if not satisfied." Mail orders filled by Peterson Ointment Co., Inc., Buffalo, N. Y., adv.

ANNUAL MEETING OF HOMEOPATHIC DOCTORS IN CITY

STATE ASSOCIATION HOLDS ANNUAL CONVENTION IN APPLETON THIS WEEK

Between 50 and 100 men are expected here today and tomorrow to attend the 56th annual convention of the Homeopathic Medical Society of Wisconsin which opened this morning at the Y. M. C. A. and closes tomorrow evening. Dr. D. S. Runnels of Appleton, is chairman of the committee on arrangements.

This forenoon was devoted to registration of visitors. The doctors were taken in automobiles to places of interest in the city. The first business meeting was held at 11 o'clock.

Banquet Tonight
At 1:30 o'clock this afternoon the first convention meeting was held at which general medicine was discussed. The chief speakers were Dr. William D. Webb, Beaver Dam, and Dr. Hugh M. Beebe, Ann Arbor, Mich. The address of the president, Dr. All Moose who have not made reservations for the banquet Sunday at the Hotel Appleton will call the secretary. Phone 2578 by Saturday morning.

Charles F. Browne, Racine, was to be delivered at four o'clock this afternoon, followed by addresses by Dr. C. E. Sawyer, Marian, Ohio, president of the American Institute; Dr. Arne Matheson, Neillsville, Wis.

The visiting doctors are to be entertained at a banquet at the Y. M. C. A. at 6:30 o'clock this evening. Dr. Frank A. Walters, Stevens Point, will be toastmaster. Responses will be made by Dr. Fay T. Clark, Waupun; Dr. Theodore Baemeister, Chicago; Dr. Minnie Hopkins, Oconto; Dr. Joseph P. Cobb, Chicago.

New York Man Coming
The entertainment program is made up of selections by the Lawrence quartette, Miss Vera Chamberlain and Miss Julia Linn.

One of the principal speakers this afternoon will be Dr. George F. Lawlaw, New York, one of the best known physicians in the country.

Tomorrow's program includes addresses by a large number of practitioners from Wisconsin and other states. The morning session is to open at nine o'clock.

Officers are to be elected tomorrow afternoon.

The program is said to be one of the most elaborate attempted in a long time by the society. Early registrations indicated a large attendance.

NEW BOX FACTORY ONE OF CITY'S FAST GROWING INDUSTRIES

MORE THAN 2,500 CHEESE BOXES ARE MANUFACTURED DAILY BY THE KONZ COMPANY

Cutting them out of sheets of elm, birch and basswood veneer five by twelve in dimensions, made as pliable as leather by steaming, and shaping and nailing them by machinery, the Konz Box and Lumber company, Appleton's new industry at the entrance of the old fair grounds at the west end of College avenue is now turning out 2,500 cheese boxes daily and shipping them by motor trucks to the cheese factories in Wisconsin, Minnesota, Michigan and Illinois.

The plant has been in operation less than a month and is running full capacity and finds difficulty in keeping pace with orders. It is one of three now owned by the company; the others are located at Seymour and Black Creek. Over thirty hands are employed, eight of whom are girls. Considerable work remains to be done before the owner, have the factory just as they want it. They need water mains, sewers, gas, etc., and as soon as they get this service intend to erect twenty new residences for their employees.

Machinery Does Work
With logs piled fifteen feet high on two sides of the plant and with lumber piles on another side, the building suggests a saw mill more than it does a factory. The sawing department, however, is only a small portion of it. The huge veneer sheet after coming from the log passes over a cutting machine operated by two employees who cut them into strips for the side of the box and into bands for the cover and bottom. The ends of the boxes are cut by machinery out of thicker material boards varying in width from two to five inches. After the boards for an end are placed side by side on the cutting machine a saw does the rest of the work almost instantly.

The band for the cover comes out of a hot water vat and after winding round a cylinder the exact size of the box the ends are nailed together and it is then passed on to a girl who puts in the end boards with the aid of a hammer and passes it on to the nailing machine, where the nails are quickly inserted. The veneer side and the bottom of a box pass through the same process as the cover. The boards used for heading which are about two feet in length are piled in long piles out of doors by girls and permitted to dry for some time before being used.

Two Kinds of Boxes
The company makes two kinds of boxes: round and squares, the output being about seventy per cent of the former and thirty per cent of the latter.

the latter. Most of the logs are shipped in from the northern part of the state. The plant is operated by steam; the water is secured from the well near the main entrance of the old fair grounds, where hundreds of people quenched their thirst during the annual fairs. The water is piped direct to the boilers and the engine does the pumping. It is the intention of the company to drill an additional well during the summer.

S. A. Konz, manager of the plant, says that he finds the labor situation a problem as well as every other manufacturer. The wages of the men are so high that many of them do not care to work with any degree of regularity while others are indifferent about working at all. Nearly every day men apply for work and after being engaged never show up.

LONG ST. JOSEPH SCHOOL DEBATE GOES TO NEGATIVES

After debating two and one-half hours, the negative team arguing the question of government control of railroads was awarded a decision in a debate at St. Joseph school yesterday. The teams were made up of the 1920 graduating class. Negative debaters were M. Hoffman and C. Schwartz, while the affirmative was year with Prof. Ormsby.

upheld by H. Ness and C. Probst. Judges were Miss Ellen Hantschel, Sister Therisana and Sister Louis.

Miss Mae Bailey, who is now attending Grafton hall at Fond du Lac, will go to Milwaukee at the end of the semester to enter the Wisconsin Conservatory of Music where she will study through the summer and next year with Prof. Ormsby.

Shirts That Reflect Good Taste

Warm summer days are mostly coatless days, and that means that your shirt is the most important part of your wardrobe.

At work, at play, on outings, in the office or store you will want to pull off your coat and go about in comfortable, easy fashion.

Yet, with all your comfort, you want to know that you look well groomed, that your shirt reflects good taste.

How Firestone Is Able to Produce the Finest Laminated Inner Tube and Still Hold to a Moderate Price

Firestone Man Power: Firestone has gathered together a remarkable body of workers, 17,000 strong — many of them stockholders in the Company. Men financially interested in the success of their product do better work.

Firestone Buying Power: Firestone has established purchasing headquarters at Singapore in the Straits Settlement where 85% of the world's rubber is produced. Thus Firestone gets first choice

of the raw product at quantity prices. And this saving is turned back to car owners.

Firestone Selling Power: Firestone's immense production requires a widespread distribution system. Sixty-five branches and 46,000 dealers throughout the United States selling Firestone Tubes assure a fast-moving product, which means fresh stock at all times—most miles per dollar in tubes as well as tires.

All Day Meeting
Women of the First Congregational church are to have their monthly all day meeting tomorrow at the church. They will assemble at 10:30 o'clock in the morning and will engage in sewing until the luncheon which is to be served at the church.

The meeting of the Woman's Union is the first scheduled for the afternoon. A meeting of the Missionary society follows, at which the Rev. G. E. Stickey will discuss current events. Mrs. R. E. Carnecross will conduct the devotional services. A paper on "Reconstruction in Our Own Community" is to be given by Mrs. B. W. Wells and an open discussion will follow.

Eagle Ladies' Party
Twenty ladies attended the meeting of the Lady Eagles yesterday. Business was transacted and cards played. Prizes were won by Mrs. George Durdell, Mrs. H. Koester, Mrs. D. Kneale, Mrs. T. Van Rooy and Mrs. Van Ooyen.

Preparations were finished for a May ball to be held May 20. Eagle members and their friends are to be invited.

Aluminum Shower
Mrs. Albert Ness entertained at an aluminum shower last evening for Miss Nola McCullough, who is soon to marry Ray Onkels of Ontario, Canada. The party was held at the home of Mrs. Howard Campbell, Franklin street. Twenty-four young ladies were present. Cards were played and

25 SCHOOLS WILL COMPETE IN SENATE SPEAKING CONTEST

VALUABLE PRIZES WILL BE OFFERED BY LAWRENCE COLLEGE TO THE STATE WINNERS

Students from twenty-five high schools of Wisconsin will be here on Tuesday to take part in the annual contests in oratory and extempore speaking, conducted by Lawrence college.

The comrades of the Grand Army are requested to meet at their hall Friday afternoon at 2 P. M. to attend the funeral of Comrade Buchanan.

Preliminary contests will be held in the afternoon in the old chapel and the finals will be held the same evening in the new chapel.

The total number of contestants is limited to thirty. Each school is allowed to submit the names of two contestants, one for the contest in extempore speaking. The five orators and five extempore speakers ranking the highest in the preliminary contest will take part in the finals.

Judges will be chosen from the Lawrence faculty, from non-competing schools and from prominent citizens of Appleton and surrounding cities. The speakers will be the guests of the Public Speaking department.

Births

Word has been received by Mr. and Mrs. Joseph Schuh, Elsie street, of the birth of a daughter Wednesday to Mr. and Mrs. Christian Guckenberger at Marshfield. Mrs. Guckenberger was formerly Miss Jennie Schuh.

An eight pound son was born Saturday to Mr. and Mrs. Elmer Pohle, Bloomington. Mrs. Pohle was formerly Miss Martha Retza of this city.

OBITUARY

MRS. E. H. STODDARD.
Mrs. E. H. Stoddard, Merrill, 56 years old, died Sunday at St. Mary hospital, Wausau, following an operation for strangulated hernia. The deceased had been in failing health for some time, and although hopes were held out for her recovery for several days after the operation, complications developed which resulted in death.

Lorena Elizabeth Knickerbocker was born in Appleton July 21, 1864. She married E. H. Stoddard in 1881. They moved to Grand Rapids in 1898 and thence to Merrill in 1907, where they have resided since.

Surviving are her husband, a daughter, Mrs. O. McKee, Fond du Lac; two brothers, C. B. and W. H. Knickerbocker of Kaukauna; a sister, Mrs. Fred W. Warner of Black River Falls; mother, Mrs. Alice Knickerbocker of Fond du Lac. Another daughter, Mrs. J. E. Dennison of Merrill, died January 17 of this year.

The body was taken to the home of Mrs. A. G. Tinkham of 575 Lincoln street this afternoon. Burial will be at 4:09 o'clock tomorrow afternoon from Riverside chapel. Members of the Woman's Relief Corps will attend the services in a body. The Rev. A. O. Protzman of Merrill, will be in charge.

MARY GRIFFIN FUNERAL

The funeral of the late Mary Griffin of Chicago will be held at 9:30 o'clock tomorrow morning at Schommer undertaking parlors. Burial is to take place at St. Mary cemetery. The body will arrive from Chicago at 6:12 o'clock this evening, and may be viewed tonight at the Schommer establishment. No relatives of the deceased appear to be living in Appleton. The telegram giving notification of the death was signed by D. M. Griffin.

STANLEY MILLER

Stanley Martin, six-months-old son of Mr. and Mrs. Walter Miller, 650 Harris street, died at an early hour this morning at the home of Mr. and Mrs. William Ness, 1251 Lawrence street, after a brief illness. Besides his parents he is survived by his grandparents and a brother, Russell. The funeral will be held from St. Joseph church at ten o'clock Saturday morning.

INFANT DIES

Edgar, infant son of Mr. and Mrs. George Schultz, 1213 Harris street, died last night and was buried this

afternoon. The funeral was held at two o'clock from the home and the services were conducted by the Rev. T. J. Sauer.

STERNAGLE FUNERAL

Funeral services for Mrs. Hattie Sternagle, who died Tuesday night, will be held at one o'clock Friday afternoon from the late home, 275 Walter Avenue. The Rev. T. J. Sauer will conduct the services.

FREE STAMP DAY Friday May 14th THE FAIR

prizes won by Miss Helen Hesser, Miss Kate Steffen and Miss Ethel Thielen. A luncheon was served.

DR. TRETTIEN IS GLAD TO GIVE HIS AID TO APPLETON

PLANS FOR RELIGIOUS DAY SCHOOL TO BE CONSIDERED HERE FRIDAY AND SATURDAY

"It is with peculiar interest that I am anticipating this visit to Appleton."

ton, and shall hope to do some real service to the community that means so much to my boyhood life," writes Dr. A. W. Trettien, who is to conduct conferences here Friday and Saturday evening.

All Sunday school workers and others interested in furthering of religious training among children are being urged to attend the meeting which opens at 7:30 o'clock Friday evening in the council chamber of the city hall. Dr. Trettien, who is instructor in psychology at the Municipal University, Toledo, O., has given years of study to proper juvenile religious training. He has methods

tried out in Toledo which he will suggest for use in Appleton. Definite steps toward the establishment of a religious day school or some other plan for giving children more training than the Sunday school provides are looked for as a result of the conferences.

Dr. Trettien is quoted in press dispatches as a quiet, forceful speaker who always becomes the outstanding figure in any lecture program. He will tell something of the plans and institutions used throughout the country for the extension of religious education and how they can be applied to the Sunday school.

Two conferences. A second conference is to be held at the same hour Saturday evening, to which public school teachers especially are to be invited. Here Dr. Trettien will unfold some of his experiences.

GIRLS WANTED
Must be 17 years or over.
Good wages. Nice working conditions.
Appleton Superior Knitting Works.

port knowledge along psychological lines when he takes up the development of the religious life of the child. Fundamental principles of Americanism and use of the Toledo religious education plan in the public schools are also to be presented. Discussions are to follow each address.

The Appleton Ministerial association was instrumental in bringing Dr. Trettien to Appleton, not only because of his expert knowledge on this particular subject, but because of the desire to stimulate a plan of more religious training for the young people of the city. Everybody interested in hearing Dr. Trettien may attend.

EMBROIDERED GEORGETTE
FLOUNCING 40 inches wide, worth \$6.75. Special at \$5.00 yd. 5-13
GEENEN'S

Mr. and Mrs. Alois Dohr, who have been on a wedding trip to Milwaukee after their marriage here recently, arrived at Peshtigo Tuesday, and will make their home there. Mr. Dohr is cost accountant with the Peshtigo Pulp and Paper company.

THIS WILL ASTONISH APPLETON PEOPLE

The quick action of simple witch-hazel, camphor, hydrastis, etc., as mixed in Lavoptik eye wash, will surprise Appleton people. One girl with weak, strained eyes was helped by a single application. Her mother could hardly see or read because of eye pains. In one week she too was benefited. We guarantee a small bottle of Lavoptik to help any CASE weak, strained or inflamed eyes. Alumina eye cup FREE.—F. G. Walker, druggist.

WANT SERVICE MEN TO OBSERVE BIG DAY

ELABORATE PLANS ARE BEING MADE FOR OBSERVANCE OF MEMORIAL DAY MAY 31.

Memorial day this year is to be the "biggest" of the patriotic holidays. If present plans of observance committees are any indication. This is the first time all ex-service men have had opportunity to take part in the services, as many were still in the service a year ago.

All ex-service men are asked to wear their uniforms this year in the parade. There has been some objection to donning the military attire again and for this reason the officials of the Oney Johnston post of the American Legion let it optional, but it is their hope that none will feel backward about appearing in uniform instead of civilian attire.

One of the events that will stand out in memory will be the dedication of a new flag pole to be placed in Soldiers' square. The pole was purchased jointly by the Grand Army of the Republic, the Spanish-American War Veterans, the American Legion post and the Rainbow veterans. A flag, 10 by 16 feet in size, has been donated by the Women's Relief Corps and this will be raised aloft on the new pole as part of the ceremony.

The staff is to be placed at the east end of the west plat in the square and the howitzer, recently received from Rockford, Ill., is to be placed in the east plat at the west end, the gun pointing toward Oneida street. A concrete base is to be built on which the gun is to stand.

BIG REUNION SALE SATURDAY MORNING AT 9 O'CLOCK—METHODIST CHURCH 5-13, 14

ABOUT TOWN

CYCLES COLLIDE—A motorcycle owned by Darwin Smith was damaged Wednesday evening when he collided with the driver of another motorcycle at the College avenue and Walnut street corner. The second driver made a sudden turn, causing Smith, who was following him, to strike his machine in the rear. Neither driver was injured.

POSTPONE MATCH—The match volleyball contest between the 8:15 and noon class of the Y. M. C. A., scheduled for Wednesday night, has been indefinitely postponed. The cross country run will be held sometime next week, physical director R. H. Starkey announced today.

ROONEY SPEAKS—Attorney H. J. Rooney was one of the speakers at a banquet given by the Knights of Columbus of Green Bay Tuesday evening at the Beaumont hotel. His subject was "Our Christian and Civic Institutions."

SELLS HOUSE—Fred Stoffel has sold a house near his home on Eighth street to Mrs. Christina Neuman who recently disposed of her residence on Second avenue.

CARD OF THANKS
We wish to thank our friends and relatives for their kindness and sympathy and for their floral offerings during the death of our baby son, Lloyd Steven.
(Signed) Mr. and Mrs. Keddell, adv.

The Rev. E. A. Ralph of Green Bay was the speaker this morning in the Lawrence chapel. The message

SHAWANO
GREEN BAY

Not Bad, Eh!

A customer said to a New York tailor: "I don't see where you get off to charge a hundred dollars for a suit which only has three and three-quarter yards of cloth in it!"

And the tailor said to the customer: "If you think that there isn't anything to a suit of clothes but three and three-quarter yards of cloth, why not buy the fabric yourself and have the suit made at home!"

There's more to a Hickey-Freeman suit than three and three-quarter yards of cloth.

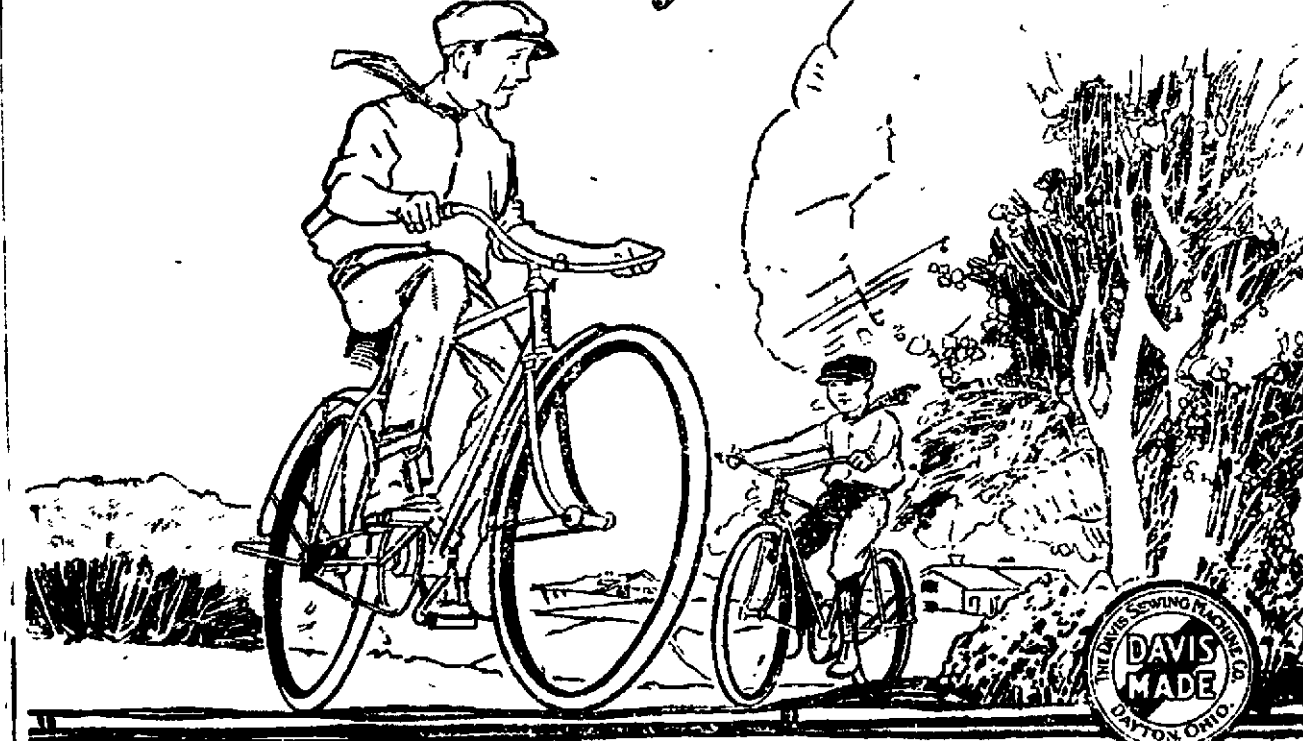

And it doesn't cost a hundred dollars either!

Ride a Bicycle

A Dayton Bicycle brings Fun and Health

There is real health, as well as real pleasure in riding a good bicycle. It is a healthful, stimulating exercise, and it gets you out in the open—out in the fresh air and sunshine! It will stir your blood, take the kinks out of your muscles and set your pulse tingling.

But bicycling is more than a pastime for boys and girls. Many "grown ups" are

riding nowadays—not merely because it saves time and money, but because it keeps them active and in good health.

Ride a bicycle—and ride a Dayton Bicycle because it rides easily, comfortably, and is long-lasting. Visit our store and see these fine new Dayton for men, women, boys and girls. No obligation to purchase—but you'll want to!

INTERURBAN CAR IS ENDANGERED BY BROTHERS

Fire broke out twice in the north bound interurban car which left Appleton at 7:15 o'clock last evening. A disordered motor part caused a small blaze beneath the floor, but this was quickly put out with a fire extinguisher. When the car reached the sanatorium, similar trouble started, flames shooting upward into the car from where the motors were stationed. Twenty passengers were aboard but all alighted without being burned.

The fire extinguisher used on the first blaze was empty and the crew had no way of fighting the second blaze. An automobile happened to arrive and several people were rushed to a nearby farm house, where water was secured and the fire put out. One of the motors was found to be in working condition and the car was able to proceed to Kaukauna by operating it from the rear end.

TUCKED ORGANDY—40 inch—white at \$3.00 and \$3.75 yd. **GEENEN'S** 5-13

The choir of First English Lutheran church will meet for rehearsal tonight at the home of Miss Elsie Mau, 628 North street.

Proposal of a forced loan has been made in France, to liquidate war costs, by which every Frenchman possessing capital of more than 50,000 francs should be required to subscribe.

LAWRENCE GIRL WILL SAIL FOR CHINA SOON

Miss Hazel Morrison of Aurora, Ill., sophomore of Lawrence college has accepted a secretarial position in China and will sail on the "Empress of Russia," June 3, from Seattle, Wash. She will be located in Nanking, China, at first and will make her home with a former Lawrence student, Muriel Webb Treman.

Her work will be interdenominational and will probably extend into China, Japan, Korea. Miss Morrison has had sufficient training in social service as well as secretarial work to qualify for the position. She had lately applied as Near East Relief worker in Armenia, but upon receiving this sudden opportunity to go to China she abandoned her former plans.

APPLETON MAN WINS THIRD IN BIG CONTEST

Oscar Schmiede, Appleton high school, won third place in the oratorical contest at Beloit Saturday. Fifteen schools from several states were represented in the contest, conducted by Beloit college.

Schmiede's oration was "The Coming Crisis." He prepared for the contest under the direction of A. K. Vincent of the faculty.

Chicago, Ill., won first place, and Elgin, Ill., won second place in the contest.

IRREGULAR TRADING ON A WEAK MARKET

**PRICES SLUMP WHEN SELLING
EXCEEDS THE DEMAND—
BULLS ARE HESITATING**

By United Press Special Wire
Chicago.—Grain futures continued nervous and irregular on the Chicago board of trade today after opening weak.

The market recovered for a few minutes in early trading on good buying but slumped as the selling continued to exceed the demand. There was a hesitancy on the part of the bulls because of continued rumors of a threatened railroad strike. At noon the market recovered slightly.

May corn opened late at \$1.95 1/2, down 1 1/2c, and later gained 1/4c; July corn opened at \$1.77 1/2, unchanged, and later lost 1/4c; September opened down 1/4c at \$1.64 and remained unchanged.
May oats opened at \$1.07 1/2, down 1/4c, and later was up 1/4c; July oats opened up 1/4c at 93 1/4 and later gained 1/4c; September oats opened at 77c, unchanged, and later was down 1/4c.
Provisions were lower.

PLAN LAW AND ORDER LEAGUE IN APPLETON

PRELIMINARY STEPS TO FORM ASSOCIATION ARE TAKEN AT MEETING LAST EVENING

Several people met last evening at Lawrence Conservatory of Music for the purpose of promoting the establishment of a chapter of the American Constitutional League of Wisconsin here. W. L. Halstead, executive director of the league, and Alvin M. Higgins, who were in the city all day yesterday conferring with local men, were the speakers. No definite steps were taken to organize a branch of the league here, but it is expected that one will be formed in the near future.

The league has recently been formed for the purpose of combating the revolutionary agitation which is prevalent in the country. Its purpose is to conduct an educational campaign in behalf of the constitution of the United States, the representative democracy and liberal institutions which it establishes and fosters and in opposition to revolutionary doctrines which inspire their destruction. The membership pledge is a pledge to defend the constitution of the United States.

BUY LOT TO ENLARGE 1ST WARD PLAYGROUND

It was decided to purchase the vacant lot on Eldorado street adjoining First Ward school, at a special meeting of the school Alumni association Wednesday night. The lot will be used as an addition to the present playground.

Further plans for the play to be presented by the organization tomorrow night were made at the meeting. The regular meeting of the association will be held next Thursday night. Plans for a party in honor of the graduating class will be made.

THREATENED STRIKE OF ENGINEERS FAILS

By United Press Leased Wire. Pittsburgh, Pa. — The reported strike of engineers and firemen of the three railroads entering Pittsburgh, to be effective this morning, had failed to materialize, railroad officials claimed, and trains were operating as during previous days of the "outlaw" strike.

The report, originating from men attending a secret session of union railroaders here last night, was branded by railroad officials as an attempt to bolster the courage of "rebel" strikers.

UNION HOTEL TO GO OUT EXISTENCE THIS WEEK

The Union hotel at the corner of College avenue and State street, which Charles Reitzner owned and operated for over thirty years and which he recently sold to the M. & N. Motor Car company, will cease to exist after this week, when Eugene Konzelman, present proprietor, will move his family to his new resort known as Terrace Garden Inn, which he is building on the bank of the river, near Stroeb's Island. The Union house was one of the few pioneer hotels left in the city and did a thriving business, especially in the early days. Among the other hotels of its class that have already ceased to exist are the Commercial house and the Globe hotel, the former now being used as a pool room and the latter to be replaced by a garage and salesroom. The Union house is to be converted into a garage by its new owners.

UNION DELEGATES MUST WEAR UNION MADE CLOTHES

Hereafter delegates from the various unions to the Trades and Labor Council will be required to wear at least sixty per cent union made wearing apparel to entitle them to a seat in order to comply with a resolution passed at the Trades and Labor Council meeting last night. Heretofore, some of the delegates have been careless in seeing that the union label was on their clothing and the resolution was passed for the purpose of calling their attention to it. Fred E. Bachman was selected to represent the Trades and Labor Council at the state convention to be held at La Crosse in July and William Eggert was chosen as alternate.

HAMMER H.C.O.L. BY SELLING BELOW COST

By United Press Leased Wire. Milwaukee—Milwaukee has joined the movement to bring down soaring prices. Gimbel's Brothers here today sold goods below cost price. They believe that by cutting the price of merchandise the price of material will drop for merchants as well as people.

"By a rapid succession of these sales, we hope to eventually reduce the prevalent sky high prices on all lines of merchandise," J. H. Hoffheimer of the Gimbel store, said.

An example of the price-slicing picked at random from the store follows:

24 pound sacks of flour which cost wholesale \$1.85, marked \$1.79; window shades, costing 75 cents in job lots, were disposed of for 49 cents; and frocks, previously ranging in price as high as \$95 cases, were on sale at \$29.50 racks.

One of the richest iron ore deposits in the world is in the Rajara Hills, India.

AND NOW COMES OUR TIMELY SALE of DRESSES

Starting Friday Morning, May 14th, Continuing Thru Saturday, May 22nd.

NEWS OF OUTAGAMIE COUNTY AND WISCONSIN

URGE LEGISLATION PERMITTING CITIES TO BUILD STORAGE

DIVISION OF MARKETS ASKS GOVERNOR PHILIPP IN CLUDE MATTER IN SPECIAL CALL

(Special to Post-Crescent) Madison, Wis.—That the call for a special legislative session include the matter of authorizing municipalities to construct warehouses for the storage of potatoes is the recommendation to Governor E. L. Philipp by the Division of Markets in its report on the hearings held in Milwaukee relating to the marketing of Wisconsin potatoes.

The report shows that the bulk of the 1919-20 crop was sold by the farmers in 1919 before the high prices struck the market. Thirty-three per

cent of Wisconsin's potatoes were shipped during the first four weeks following September 30, while over half of the crop went on the market before December 1.

That the Wisconsin farmer this season has not held his potatoes back from the market but has, on the contrary, sent them on the market earlier than in preceding years, is proved by figures submitted by Joseph Becker, agent of the U. S. Department of Agriculture and witness at one of the hearings.

The percentage of the crop remaining to be shipped on November 1 was 49 for the 1919 crop; 63 for the 1918 crop; 62 for the 1917 crop. On December 1, it was 35 for 1919; 52 for 1918; 54 for 1917. On January 1, it was 27 for 1919; 44 for 1918; 48 for 1917. On February 1, it was 14 for 1919; 32 for 1918; 43 for 1917. On March 1, it was 10 for 1919; 24 for 1918; 32 for 1917. On April 1, it was 6 for 1919; 14 for 1918; 21 for 1917. On May 1, it was 2 for 1919; 7 for 1918; 11 for 1917.

The Division of Markets suggests central warehouses, such as exist in some communities in Pennsylvania, properly equipped to store potatoes intended for consumption in Wisconsin, the storage of these potatoes normally to take place early in the season before winter road conditions and car shortage set in and before abnormal price rises can creep in to disturb the market. Attention is called to the fact that the maximum price to growers before November 1, this season, was \$1.05 per bushel or \$1.75 per hundred.

The report continues: "The suggestion that the municipalities be authorized to establish warehouses does not necessarily mean that the city itself shall buy and sell the potatoes which it stores. The recommendation forwarded to the governor is confined to the matter of constructing warehouses which will provide the required storage facilities and place potatoes at the disposal of the community at a time when it is difficult to transport them and when, in the event of a short crop, the winter and spring supply may be depleted."

"It is not contemplated that municipally controlled warehouses shall constitute the exclusive storage facilities for potatoes in Wisconsin. It would be highly desirable if warehouses were established by railroads both at terminals and at principal shipping points, such as Waupaca and Bloomer. The allotment of storage space in warehouses operated by common carriers would be subject to state control in order to assure equitable distribution and to regulate the rate of storage charge."

ONLY PUBLIC HANGING HELD 49 YEARS AGO

3,000 PEOPLE SAW EXECUTION WHICH LED TO LAW ELIMINATING DEATH PENALTY

Kenosha—The first and only public hanging ever staged in the history of Wisconsin was recalled in the Kenosha county circuit court when an examination of the records revealed that at this time sixty-nine years ago the first murder trial in the history of Kenosha county was being tried.

John McCaffery was brought into court for trial on May 4, 1857, charged with the murder of his wife. He entered the plea of not guilty and for three weeks the infant city, Kenosha according to the stories of the "old timers" had all the thrills of a murder trial. He was convicted by the jury on May 15 and on May 25 was sentenced to be hanged.

McCaffery had the legal 100 days to make his peace with his Maker, explained one of the oldest citizens of Kenosha this morning as he retold the story of the hanging of McCaffery. "He was ordered to be executed on the afternoon of Aug. 21 of that year and as the morning passed hundreds of people came from all parts of the countryside to see the execution. It took place about 1:30 p. m. and there must have been 3,000 persons present, a big crowd for those early days."

It was the publicity which attended this hanging which stirred Wisconsin and brought the passage of the law eliminating the death penalty from the penal code, according to many in this city.

FOUR SCHOLARSHIPS TO UNIVERSITY AWARDED

Sturgeon Bay, Wis.—Four graduates of the local high school have received scholarships at the state university. The scholarships have just been awarded and R. Soukop, head of the local schools, states that it is the best showing any high school of this size has ever made. William Pinner, Gus Draeb, Karl Reynolds and Miss Lucy Puchler are the graduates to receive the scholarships. Miss Puchler is at present a student at St. Clare college, Sinsinawa, Wis., and will enter the university in the fall.

JUST WANTED NIP, BUT WOMAN CALLED POLICE

Kenosha, Wis.—Five police officers answering the appeal of a woman who said her home had been entered by a burglar, surrounded the residence, cautiously narrowing their circle until they came to the door, and with a grip on the knob, attempted to force their entrance. The door opened slowly, and then slammed with a bang. They tried again, with pistols ready and a flashlight playing

on the opening. They succeeded in opening the door to find a man sleeping peacefully with his feet propped against the door in such a manner that when it was opened he pushed up along the wall.

The next morning John Mazur could not give a satisfactory account of his actions when arraigned in municipal court.

"Where were you yesterday?" asked the judge.

"Where did they find me?" was the answer, and when informed of his last stopping place, the prisoner said, "Well, I reckon that was all right. It is on my way home."

He was fined \$5 and costs.

ASSURE MEDICAL AID BY HELPING DOCTORS

WISCONSIN TOWN'S PLAN FOR SUBSIDIZING PHYSICIANS HAS MUCH MERIT

(Special to Post-Crescent) Madison, Wis.—A novel plan to provide medical services for a small, isolated Wisconsin community lacking every form of skilled care of the sick was recently proposed in an extreme northwestern locality, and although rejected it contained sufficient merit to draw two pages in the weekly "Public Health Reports," issued by the U. S. Public Health Service.

The proposal was voted down at the April election owing to the popular feeling favoring tax reduction. Describing the plan in "Public Health Reports," Dr. Robert Olsen, of the state board of health, explained it arose out of situations, such as the recent influenza epidemic, where many persons in isolated communities are ill, and some die, without once being visited by a physician, nurse, or other person skilled in care of the sick. For the state to subsidize physicians and nurses for such relief is not often practicable.

The plan evolved proposed that a tax be levied sufficient to provide an annual retainer for a physician to establish a practice in the locality, and to provide funds for erection of a physician's residence, garage and barn, to be offered him rent free, in return for these emoluments the town board was to reserve the right to prescribe fees and mileage to be collected by the physician and to exact for the town treasury a third of each fee on calls outside the township.

This physician would be required to act as health officer and medical attendant for the indigent, as well as physician and advisor to the board of health.

"It is felt that this plan has many features to commend it," wrote Dr. Olsen, "particularly the provision for a definite income to the physician while he is becoming established. Under a definite contract a position of this character should prove attractive to the young practitioner. Best of all it would insure competent, reliable and regular attention for the people who, through choice or necessity, are residing in comparatively remote sections of the country."

PERSONALS OF INTEREST TO STEPHENSVILLE FOLKS

(Special to Post-Crescent) Stephenville.—Mr. and Mrs. Peter Trass of Appleton spent Sunday at the Paul Krause home.

Mr. and Mrs. Arnold Kroeger of Sugar Bush; Mr. and Mrs. Fred Radger of Maple Creek spent Sunday with Mrs. Timm.

Mrs. E. K. Olson died at her home on May 1, after an illness with scarlet fever. She was recovering when she developed heart trouble and died suddenly. The funeral was held at 11:30 o'clock Tuesday morning from the residence. The Rev. Mr. Conkle conducted the services, after which the body was taken to Lesser for burial.

Birdie Olson was born in town of Lessor, Shawano County, Feb. 11, 1883. She was married to Edward K. Olson June 22, 1904.

The deceased is survived by her husband, six children, Kenneth, Richard, Ethel, Ruth, Ludwig and Ralph; mother, three brothers, Oscar of Galesburg; Lewis and Albert of Rhineland; one sister, Miss Leola Olson of Shiocton.

RHEUMATISM LEAVES YOU FOREVER

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer that if two bottles of Allenru, the sure conquerer of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiable and where the patient was helpless.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed your druggist to guarantee it in every instance.

adv.

BOY LINEMAN INJURED IN FALL AT VIROQUA

La Crosse, Wis.—Harold Nix, 16, Viroqua, is in a La Crosse hospital with a fractured skull and both jaws and arms broken as a result of a fall from an electric light pole. The boy was employed as a lineman by the Wisconsin-Minnesota Light and Power Co.

LA CROSSE CLUB WOMAN IS SUED FOR DIVORCE

La Crosse, Wis.—Casper A. Tomeraasen, alleging infidelity, George L. Larson, former representative of an oil company here, is named in the suit for divorce against Della Blanche Tomeraasen. Mrs. Tomeraasen is prominent in lodge circles in La Crosse. The husband secured an order from a court commissioner, for the wife to show cause why the custody of the two children should not be given to him pending the final disposition of the divorce action.

Do Things "Get On Your Nerves?"

If you feel nervous and irritable all the time and continually worry over trifles, there's something wrong. Don't give up; back of it all may be just weak kidneys. Just as nerve wear is a cause of kidney weakness, so is kidney trouble a cause of nervousness. If you have backache, "blues," dizzy, nervous spells, headache, kidney irregularities, a tired, worn feeling try Doan's Kidney Pills. They are recommended by thousands. Ask your neighbor.

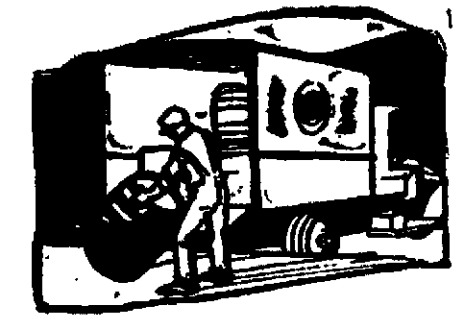

How an Appleton woman was freed—Mrs. L. Roberts, 1170 Franklin St., says: "Doan's Kidney Pills have proven so satisfactory that I can recommend them highly. I had backache and my back was lame and sore and very painful. My kidneys acted irregularly and I became nervous and had headaches and dizzy spells. I got Doan's Kidney Pills at Lowell's Drug Store and they soon relieved me of the trouble."

LEGAL NOTICES

NOTICE OF PUBLIC HEARING. Whereas, a petition signed by the required number of persons living in the county of Outagamie, state of Wisconsin, who have applied to the state conservator of Wisconsin for a public hearing to be held pursuant to section 2521 of the statutes, and the commission having informed itself regarding the premises,

It is hereby ordered that a public hearing be held on Wednesday, the 26th day of May, 1920, in the city of Appleton, at 8 o'clock p. m., in said county. Hearing to be held in the county court house to consider the following petition:

We, citizens of the county of Outagamie, Wisconsin, realize the impending danger of exterminating the deer, muskrat and mink—should our present laws remain in force another year. Further realizing that the deer is the last remaining species of big game in the state, in order that these animals may increase in number, we most respectfully petition the state conservator commission to proceed as required by law to grant further protection to deer, muskrat and mink as follows:

(a) To put in force a one buck law, and prohibit the killing of fawns and does, or allow the season for deer hunting in 1920.

(b) To close the season for taking muskrat and mink, protecting these animals in 1920 and 1921.

The Wisconsin Conservation Commission. H. S. Schiel, Secretary.

NOTICE FOR ADMINISTRATION, AND NOTICE TO CREDITORS. State of Wisconsin, County Court, Outagamie County.—In Probate.

In re estate of Mary Kellhoefer, deceased.

Notice is hereby given, that at the special term of said court, to be held on the 2nd Tuesday of June, A. D. 1920, at the court house in the city of Appleton, county of Outagamie and state of Wisconsin, there will be heard and considered, the application of Charles Kellhoefer for the appointment of an administrator of the estate of Mary Kellhoefer, late of the city of Appleton, in said county, deceased, and for the appointment of an executor, (or administrator with will annexed).

Notice is hereby further given, that at the regular term of said court to be held at said court house, on the first Tuesday of October, A. D. 1920, there will be heard, considered and adjusted all claims against said Mary Kellhoefer, deceased.

And notice is hereby further given, that all such claims for examination and allowance must be presented to said county court at the court house, in the city of Appleton, in said county and state, on or before the thirtieth day of September, A. D. 1920, or be barred.

Dated May 12, 1920.

By the Court, John Bottensack, Judge. Oliver H. Putnam, Attorney.

5-13-20-27

BEFORE THE RAILROAD COMMISSION OF WISCONSIN.

In the matter of the application of the Wisconsin & Northern Railroad Company for a certificate of public convenience and necessity for the construction of an extension or branch of its line extending from Appleton Junction in Outagamie county, southwesterly to West Menasha in Winnebago county, a distance of approximately 5.2 miles along the following described route, to-wit:

From point of connection with its existing line of railroad in Section 28, Township 21 North of Range 10 East, southerly and southwesterly through Sections 28 and 23 to south line of said township, a distance of about 1.6 miles in Outagamie county, and southwesterly through Sections 3, 4, 9, 16 and 21 in Township 20 North of Range 10 East, a distance of about 3.7 miles in Winnebago county, to a connection with the Minneapolis, St. Paul & Sault Ste. Marie Railroad near the center of said Section 21.

Now therefore, notice is hereby given that said application will be heard at the office of the Commission in the capitol in the city of Madison, on the 24th day of May, 1920, at 10 o'clock a. m., at which time and place all persons interested may appear and present such evidence and argument as may be proper in the premises.

Dated at Madison, Wisconsin, this 1st day of May, 1920.

Railroad Commission of Wisconsin. C. D. Secheverell, Secretary.

LEGAL NOTICES

(Continued)

ation and allowance of her final account, the examination and determination of the inheritance tax due from said estate and the assignment of the residue of the estate of said deceased to such person or persons as are by law entitled to same.

Dated Appleton, Wis., May 5, 1920.

By order of the Court: John Bottensack, County Judge.

Alfred C. Bosser, Attorney for Executors.

5-6-12-20

NOTICE TO PROVE WILL, AND NOTICE TO CREDITORS.

State of Wisconsin, County Court, Outagamie County.—In Probate.

In re estate of Margaret A. Thompson, deceased.

Notice is hereby given, that at the regular term of said court, to be held on the 2nd Tuesday of June, A. D. 1920, at the court house in the city of Appleton, county of Outagamie and state of Wisconsin, there will be heard and considered, the application of George S. Thompson to submit to probate the last will and testament of Margaret A. Thompson, late of the city of Appleton, in said county, deceased, and for the appointment of an executor, (or administrator with will annexed).

Notice is hereby further given, that at the regular term of said court to be held at said court house, on the first Tuesday of September, A. D. 1920, there will be heard, considered and adjusted, all claims against said Margaret A. Thompson, deceased.

And notice is hereby further given, that all such claims for examination and allowance must be presented to said county court at the court house, in the city of Appleton, in said county

Cocoon Oil Makes A Splendid Shampoo

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulified cocoon oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get mulified cocoon oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

COMMERCE BOARD ACTS TO RELIEVE SHORTAGE OF CARS

KENDALL DOES NOT BELIEVE SHORTAGE WILL BE GREATER THIS YEAR THAN BEFORE

By United Press Leased Wire
Washington—The senate interstate commerce committee today authorized Senator Cummings to report to the senate a bill extending to 15 years the life of \$300,000,000 revolving fund created by the railroad law as a source of loans to the railroads. This is designed to enable the railroads to get money to buy equipment and end the present car shortage.

Washington—The interstate commerce commission is planning to act to relieve the car shortage, delaying movement of commodities, according to information received by members

of the house interstate commerce committee today.

An order diverting equipment from parts of the country where the needs are not so pressing and an embargo on non-essentials from some sections are under consideration, it was learned.

As a result of the commission's consideration of the situation, there is no need for congress to take action, Chairman Esch, Wisconsin, and other members of the house committee said.

The \$500,000,000 additional loans asked by the railroad executives for the purchase of new equipment can not relieve the present situation, they pointed out.

Railroads within ten days will begin preparations to move the grain crops, Chairman Kendall of the car service committee, said today.

"I think the car shortage will not be greater than usual in the grain movement," said Kendall.

"Storage of cars in the southwest where the grain movement will open about June 15, will begin in ten days. In 1919, 25,000 cars were ready when the southwestern growers were ready to ship. We hope to be able to have an equal number of cars ready this year if necessary. The 1920 crops, however, are forecast as considerably below those of 1919.

"From then until late fall, the grain movement will continue throughout the country, beginning August 15, in the central west and September 15 in the northwest."

Strike Is Blamed

The extent of the nationwide car shortage at present is indicated, Kendall said, by the fact that railroads are now forced to turn down actual orders for about 80,000 cars a day. The outlay strike is blamed for part of the car shortage. Coal production is being seriously hampered by the car shortage, according to reports of the United States geological survey which show that bituminous mines now are producing only eight million tons a week. This is estimated to be three million tons under the demand. Among the cities where plants are running on a short coal supply are Youngstown, Pittsburgh, Cleveland and Toledo. Switchmen still are on strike in these cities and also in New York, Buffalo, Philadelphia, St. Louis and Kansas City, reports here said.

WOOD DEMANDS FOUR INDIANA DELEGATES

By United Press Leased Wire
Indianapolis, Ind.—Indiana republicans gathered here today for the state convention, faced with a demand that four delegates at-large to the republican national convention be instructed for Major General Leonard Wood.

A statement issued by Wood supporters declared against the elections of Senators New and Watson, Governor Goodrich and E. M. Wasmuth, state chairman to the "big four," charging that they are opposed to being instructed for General Wood since he did not receive a majority in the primaries.

The Stage

"The Gumps," a musical comedy with prototypes of Sydney Smith's cartoon of that name which will be seen at Appleton Theatre on Thursday, May 13, promises to prove one of the season's tip-toppers.

While the story of the play is extremely ludicrous it is made equally fascinating by reason of the efficient persons entrusted with its telling. These whimsical characters are so faithfully vitalized that they seem to have stepped out of the cartoonist's sketches onto the stage for the sole purpose of distributing wholesome and refreshing entertainment.

The comedy written by Howard McKent Barnes is in two acts, running through six scenic settings, abounding with dramatic surprises and laughable situations sequentially and logically placed, with musical numbers and catchy songs by Casper Nathan and Isham Jones, the dances and ensembles by Dubois. A large chorus of good looking girls original, ivy and fetchingly gowned, together with every accessory to ensure perfect presentation is promised.

Don't forget May 17—Lawrence College students will present their annual play at Lawrence Memorial Chapel. A farce comedy entitled the "Rivals." Adm. 75c.

COUNTY ATTORNEY ALSO INVOLVED IN SMUGGLING

By United Press Leased Wire
Minneapolis—County Attorney William Nash was expected to appear before U. S. Court Commissioner Howard Abbott today in response to a warrant issued late yesterday charging Nash with complicity in a "conspiracy to receive, conceal and facilitate transportation and concealment of whiskey imported into Minneapolis from Winnipeg, Canada."

The complaint against Nash was made by Alfred Jacobs, U. S. district attorney, after Mike Weisman, one defendant in the alleged whiskey smuggling plot, had entered a plea of guilty in federal court and made a statement giving all details of the alleged conspiracy and names of members of the "ring."

Judge Page Morris called the federal jury for 9 a. m. Friday for further probing of the "whiskey plot." A dozen men have already been implicated including Sheriff Oscar Martinson and four deputies.

CENSUS FIGURES

By United Press Leased Wire
Washington, D. C.—The census bureau today announced the following 1920 population results:
Jackson, Mich., 48,374; Gladstone, Mich., 4,953; Jackson, Tenn., 18,860; Hornell, N. Y., 15,925; Abington, Ill., 2,721; Charleston, Ill., 6,608; Monrovia, Cal., 5,440; Saugus, Mass., 8,874; Mount Ayre, N. C., 4,253; Monroe county, Mo., 16,499.

Increases since 1910:
Jackson 16,941, or 53.9; Gladstone, 742 or 17.6; Jackson, Tenn., 3,081, or 18.5; Hornell 1,408, or 10.3; Abington 257, or 10.4; Charleston 716, or 12.2; Monrovia 1,904, or 53.2; Saugus 2,287, or 35.1; Mount Ayre 908, or 23.6.

Decrease since 1910:
Monroe county, Mo., 1,806, or 9.9.

BRITISH BUY 125,000 GENERAL MOTORS SHARES

By United Press Leased Wire
New York—British interests have purchased 125,000 shares of the preferred stock of the General Motors Corporation at 40 pounds per share, according to cable dispatches today which W. C. Durant, president of the corporation declared "substantially correct."

The investment totals 5,000,000 pounds, or approximately \$20,000,000. The stock will probably be exchanged for 1,250,000 of the new no-par value stock of the General Motors Corporation.

OSHKOSH CLUB ELECTS MRS. EDWARDS PRESIDENT

Oshkosh, Wis.—The Twentieth Century club, the largest and most influential body of women in this city, has elected the following officers for the year: Mrs. R. H. Edwards, president; Mrs. Carrie E. Hackett, first vice president; Mrs. Ardell Ballard, second vice president; Mrs. Ber J. Daly, recording secretary; Mrs. Oscar F. Cray, corresponding secretary; Mrs. Jay J. Davis, treasurer; Miss Edna Gilke, auditor. Miss Mabel Gilkey, Mrs. E. R. Jones, Mrs. J. T. Armstrong, Mrs. W. E. Glover, Miss Nellie Davies and Mrs. E. A. Hunt, directors. Delegates were elected to three conventions: the sixth district meeting, scheduled for Wednesday; the general federation convention at Des Moines in June and the state convention at Superior in September. Reports showed the club to be growing, with 415 members.

HUNGRY MAN GETS PLATE—GIVER FINED

(Special to Post-Crescent)
Winnipeg—Harry Fryer was real hungry and complained of the slow service in Mah Young's Chinese restaurant. Young gave him a plate but there wasn't anything on it. Police Judge fined Young \$30 for hitting Fryer.

POLICE HUNT MAN WHO ATTACKED YOUNG WOMAN

Manitowoc, Wis.—The police here on Monday are searching for an unknown man, who has spread terror in the outskirts of Manitowoc by frightening girls, following an attack Sunday night on Eleanor Herzog, 16 years old.

The entire city is aroused. Miss Herzog was rescued by Edward Lohse, who was attracted by her screams and frightened the stranger away.

When Lohse reached the scene he found the stranger had hit the girl on the head, stunning her. The man was attempting to bind and gag her before being forced to flee.

Miss Herzog was on her way to her home on South Tenth street, just outside the city limits.

Frequent reports have reached police headquarters that girls had been approached by a stranger whose description answers that of the man who attacked the Herzog girl.

ANTIGO ARTILLERY IS SWORN INTO SERVICE

Antigo, Wis.—The new battery of artillery was sworn in by Major Hall, of the adjutant general's staff. A committee consisting of Edward Cody postmaster, W. J. Gallon, president of the Association of Commerce, and Charles W. Fish of Elcho was named by Mayor Charles Hanzel to visit the public property committee of the Langlade county board and try to secure the stables on the county fair grounds to house the thirty artillery horses to be sent here by the federal government.

During the last ten years our population has increased 2 per cent yearly, while our crop production has increased only half as fast.

It is a hair restorer, which will be mailed you free with a proof box of the wonderfully efficacious salve. Write to J. H. Brittain, 22-201, Station F., New York City.

BROOKLYN ROBINS ARE DISTANT KINGS

ROBINSON'S TEAM HAS PLAYED SIX EXTRA INNING GAMES FOR TOTAL OF 90 INNINGS.

(By Henry L. Farrell.)

New York.—Uncle Wilbert Robinson, the Baltimore butcher and the boss of the Brooklyn baseballers, has the long distance kings of the majors.

The tendency of the Robins to go any distance after a ball game has made them the prize marathons of the year and has run them into two world's records.

With the help of the Braves, they set a new distance mark of 26 innings and they also hung up a new record of 67 innings in four days.

Forty-three extra inning games so far in the two big leagues have given the fans a generous allotment of bargain bills.

Brooklyn has engaged in six extra inning games this year for a total of ninety innings. The St. Louis Cards have also gone through six long time sessions but only for sixty-four innings.

The Cubs and Braves have played in a quartet; the White Sox and the Pirates, the Red Sox and the Athletics have engaged in three each, the Reds and the Phillies in two each, and Washington, the Yanks, Cleveland and the Giants in one each.

The Browns alone haven't been forced to work overtime.

REALTY TRANSFERS

Among the real estate transfers recorded at the office of register of deeds this morning were: John L. Jacquot to Wade Puffer, lot in Fifth ward, consideration, private; Byron W. Pierce to G. A. Krickenberg, 40 acres in Grand Chute, consideration, private; John F. Schnoll to J. D. Weyenberg, land in Little Chute, consideration, private; W. A. Gardner to George Droeger, land in city of Seymour, consideration, private.

In 1914 7,500,000 tons of fertilizer, worth \$175,000,000, were consumed in this country.

Easy to Play

TRADE MARK REG. U. S. PAT. OFF.

"COME IN AND TRY THE GULBRANSEN AND YOU WILL SMILE WITH ME," SAYS THE BABY

This picture is taken from an actual incident. Years ago a tiny year-old baby crept up, pressed the pedal, and gurgled gleefully when the Gulbransen played. Now that baby act and smile are known around the world as the Gulbransen trade mark. "Easy to Play" is the story it tells. Yes—"Easy to Play"—and lots of fun playing the

GULBRANSEN Player-Piano

The sweet singing Gulbransen tone is responsive to your will—the expression control is so simple and natural that you soon feel master of the Gulbransen and play with as little effort as you hum or whistle.

VISIT OUR STORE THIS OR NEXT WEEK. ASK FOR PERSONAL DEMONSTRATION.

We can show you in a few minutes that the Gulbransen Player-Piano is different from what you have thought a player piano must be.

NATIONALLY PRICED

We do not fix the price on the Gulbransen Player-Piano. Each instrument is marked with its price at the factory. And the price we charge you is the same as you would pay at the factory or anywhere else in the U. S. These prices include war tax.

Safe Home 7 per Cents

Why We Pay 7 Per Cent Interest and Dividends on Wisconsin Gas & Electric Company Notes and Preferred Stock

Here is a new idea about our "safe home 7 per cents." Some folks tell us Wisconsin public service companies as strong and safe as Wisconsin Gas & Electric Company and The Milwaukee Electric Railway & Light Company ought not to pay as much as 7 per cent on their notes and preferred stock. They admit the common stockholders, bearing the risks of the business, are fairly entitled to receive 8 to 12 per cent. But they say we ought to get plenty of new capital on our preferred securities at 6 to 6½ per cent.

Some years ago we got new capital as low as 5 to 5½ per cent. Some years hence we may be able to do it again. Today it can't be done. Even Uncle Sam has to pay 5 to 5½ per cent today, and has to make his securities tax-free to borrow money at that price.

Investors who put \$50, \$500, \$5,000 or any other sum into this business today want a higher rate for it, just as they want higher wages for their work, or higher prices for anything they sell or rent. All for the same reason—a dollar buys a lot less today than it did five years ago, or than it may buy five years hence.

This fact is recognized by the State in regulating public utility rates and earnings. The public demands more of these services every year. This requires us to invest a lot of new capital every year. We have to get that new capital from men and women who want the best rate they can get for it, with safety.

Because they ARE strong and safe, these companies have been able during recent years to get several million dollars of new capital here at home at a lower price than any other large public service companies in the United States. This saving has helped to hold our rates lower than in most other states. Home investors, getting 7 per cent, have shared the earnings of the business. They have helped to increase the business. It has

been a good plan for them, for the companies, and for the community.

Home investors are rapidly taking Wisconsin Gas & Electric Company's "safe home 7 per cents," now on sale.

\$500,000 of 5-year 7 per cent Gold Notes in \$50, \$100, \$500 and \$1,000 sizes, and \$500,000 of 7 per cent preferred stock, in \$100 shares.

Interest on the notes is payable March 1 and September 1. They mature and will be paid off in cash March 1, 1925. On any interest date to September 1, 1924, noteholders can, if they wish, exchange them at par for shares of the preferred stock.

The preferred stock dividends are payable April 15, July 15, October 15 and January 15. This stock, besides having first claim on dividend earnings up to 7 per cent each year, shares equally with the common stock all dividends paid over 10 per cent.

You can buy these securities, in any sum from \$50 up, at Wisconsin Gas & Electric Company's offices in Racine, Kenosha, Watertown, Whitewater, Burlington, South Milwaukee or Cudahy, or at the Milwaukee office in the Securities Department, Public Service Building, Third and Sycamore streets. The Milwaukee office is open 9 p. m. to accommodate buyers who cannot come during the day.

Price, either issue, par for cash. Bank draft, certified check, post office or express money order should be sent with mail orders. Prompt delivery of certificates will be made by registered mail. If you buy through your banker, the Company pays him one per cent commission for handling the business. Circular with details of the Company's business, and of these issues, mailed on request. Mail orders or inquiries should be addressed to, and mail remittances made payable to, **WISCONSIN GAS & ELECTRIC COMPANY, Securities Department, Public Service Building, Milwaukee, Wisconsin.**
